About AIA & AIA Colorado Component

For 150 years, members of The American Institute of Architects (AIA) have worked with each other and their communities to create more valuable, healthy, secure and sustainable buildings and cityscapes. AIA members have access to the right people, knowledge and tools to create better design, and through such resources and access, they help clients and communities make their visions real. AIA Colorado is a state component of AIA with more than 2,200 members from four local chapters.
