#### About AIA & AIA Colorado North

*For more than 150 years, members of The American Institute of Architects (AIA) have worked with each other and their communities to create more valuable, healthy, secure and sustainable buildings and cityscapes. AIA members have access to the right people, knowledge and tools to create better design, and through such resources and access, they help clients and communities make their visions real. AIA Colorado North Chapter is one of four chapters within the AIA Colorado component. This chapter is comprised of members from nine counties in northeastern Colorado, including Boulder, Larimer, Weld, Morgan, Logan, Washington, Yuma, Phillips and Sedgwick.*

**AIA Colorado North mission – vision initiatives:** *to be active leaders in environmental sustainability; to promote the architectural profession so that it is perceived by the public as indispensable; to promote public awareness, value and AIA name recognition through community involvement; to provide resources, mentorship and education for all members and support the University of Colorado College of Architecture & Planning; to provide members with fellowship and networking opportunities; to promote design excellence through a forum for discussion and debate.* [www.aiacolorado.org](http://www.aiacolorado.org)
